## TOWN WARRANT

---

*To the Inhabitants of the Town of Lancaster qualified to vote in Town affairs:*

You are hereby notified to meet at the Town Hall in said Town on the second Tuesday of March next, at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Town Clerk for the ensuing year.

2. To choose one Selectman for three years, a Treasurer, a Prosecuting Agent, one Trustee of trust funds for three years, three members of the Col. Town Spending Committee for three years, and other necessary officers for the ensuing year.

3. To see what sum of money the Town will vote to raise for the following purposes:

First: To meet current expenses of the Town and apply on the principal and interest of the Town debt.

Second: For Highways and Bridges, Town Maintenance, State Aid Maintenance, Permanent Roads.

Third: For building and repairing Sidewalks and Sewers.

4. To direct how money raised for any of the above purposes be expended.

5. To see what action the Town will take in regard to an act for State Aid and for the expenditure of other public moneys in the permanent improvements of main highways throughout the State, passed Feb. 5, 1925, and amendments thereto, and raise money for the same.

6. To see what action the Town will take in regard to continuing the Federal Aid Road from the Stone Crusher to Sand Hill and raise money for the same.

7. To see what action the Town will take in regard to raising money for repairing the road leading from the Martin Meadow Pond road to the Sinclair Weeks residence, formerly the Payson Fernald Farm.

8. To see if the voters of the Town wish to sustain the decision of the Selectmen in regard to the salary of the Supervisors of the Check List.

9. To see what action the Town will take in regard to purchasing new equipment and raise money for the same.

10. To see what action the Town will take in regard to reconstructing the Main Street Bridge and raise money for the same.

11. To see what action the Town will take in regard to discontinuing the payment on maintenance of water troughs on highways.

12. To see what action the Town will take regarding the adoption of the N. H. zoning laws, and act upon any resolution pertaining thereto.

13. To see if the Town will vote to discontinue the highway leading from the farm now occupied by Patrick Guyette to the house of Frank B. Marshall and instruct the Selectmen to lay out a new highway leading from the highway running from the Grange, so-called, to the home of Wm. Alden near the homestead farm of Max Brainard to the homestead farm of said Frank B. Marshall and appropriate money for the same.

14. To see what action the Town will take in regard to building a sidewalk on Cemetery Street.

15. To see if the Town will vote to instruct the Selectmen to continue the cement sidewalk on the west side of Main Street to dwelling owned by Mrs. Delia Morin on the south side of Bridge Street.

16. To see if the Town will vote to instruct the Selectmen to continue the sidewalk from the residence of Abner Bailey to the residence of Hattie Rines on Prospect Street.

17. To see what action the Town will take towards the construction of a cement sidewalk on the south side of North Main Street, and raise money for the same.

18. To transact any other business which may legally come before said meeting.

Given under our hand and seal at Lancaster, this 25th day of February, 1929.

O. E. WENTWORTH,

D. J. TRULAND,

L. E. MOSES,

Selectmen of Lancaster.

A true copy, attest:

O. E. WENTWORTH,

D. J. TRULAND,

L. E. MOSES,

Selectmen of Lancaster.

## COL. TOWN SPENDING COMMITTEE

## (REPORT OF CHAIRMAN)

The committee desires to thank the citizens for their co-operation during the year. It is admitted that no committee can function to the full satisfaction of all. Appropriations must be made of which some do not approve and requests for appropriations must be refused. Your committee honestly seeks to expend the proceeds available in accordance with the expressed wish of the man who made them possible and to meet, at the same time, the will of those whom the committee serves.

Your chairman regrets that the present year marks the termination of service of members of this committee who have given invaluable advice and labor. All will be missed. Special mention, however, may well be made of the splendid service rendered by Mrs. Jennie H. Twitchell, upon whom has fallen much of the burden of management in connection with the Community House when the project was new and untried. She has been tireless in her efforts and her one thought has been the best thing for all concerned.

As various activities are covered by the reports of other officers, your chairman would but call your attention to a few points in explanation. The cash balance of approximately \$1500.00, as shown by the treasurer's statement, will be required to meet liabilities and Community House operation until such time as further funds are available.

The report of the trustees indicates the excellent earnings of \$22,007.79. Your committee could have done much with this money had it truly been available for general appropriation. It has not been. The committee assumed the library appropriation of the

previous year (\$2250.00), the maintenance of the Community House, the \$800.00 for the band ordered given by town vote, \$3000.00 payment on principal of loan for Community House construction and \$3000.00 on interest on loan. As a matter of fact the committee has made voluntary appropriations of but \$3514.15 of the \$22,007.79 earned income. It also seemed advisable to the committee, since demands on income were not heavier, to reduce the indebtedness to the Trustees (Community House construction account) by an additional \$2000.00. We are obligated to pay but \$3000 a year on the principal but the quicker we discharge this obligation the larger will be our available funds for general appropriation.

The committee again thanks the public for its co-operation. The committee appreciates its purpose is to make the wisest possible expenditure of the funds available. It would remind the public that the committee is ever ready to receive requests and suggestions. We may not always be able to grant them but, whatever the decision, it will be that of the majority of the board.

This year we are to elect two men and one woman for three years and one woman (to replace Mrs. Parshley, resigned) for one year.

Respectfully submitted

BLAKE T. SCHURMAN,

Chairman.

### SECRETARY'S REPORT FOR 1928

At the March Town Meeting, W. R. Galbraith, B. T. Schurman and Mrs. Dan A. Sullivan were elected committee members for three years, R. B. Smith for two years and Mrs. H. A. Bullard for one year. The balance of the committee consisted of H. A. Moore, Mrs. O'Neil Twitchell, L. W. Blandin and Mrs. Ruth Parshley. The committee organized with B. T. Schurman, Chairman; Mrs. Sullivan, Treasurer; R. B. Smith, Secretary.

The Community House Managing Board included B. T. Schurman, Mrs. O'Neil Twitchell and H. A. Moore.

The first important activity of the committee was the purchase of the so-called Forrest Heath farm in the east part of the town as a site for a

permanent camp for the boys and girls of the community, with an appropriation for repairs and maintenance. This is an ideal location and we feel that all of those who have seen it will agree that it merits the investment. A splendid camp for boys was conducted the past summer, directed by A. R. Parshley, assisted by Roger A. Dunlap, and a girls' camp conducted by Mrs. Ross Stanard was no less successful.

The children's playground was conducted on the grounds at the rear of the Community House, under the supervision of Mr. Henry Dockler, assisted by Mrs. Mildred Abbott, and was well attended by the younger children.

Other activities of the committee included the hiring of a new house Superintendent, support of twilight baseball, repairs on bowling alleys and pool tables, changes in fire escapes, panic locks, liability insurance, purchase of shrubs for Community House grounds, also general repairs and new equipment, as shown by treasurer's report and the report of the house committee.

Respectfully submitted,

R. B. SMITH,

Secretary.

---

### COMMUNITY HOUSE MANAGING BOARD REPORT

Another year has passed since the Col. Town Community House was completed and opened to the public, and that this community center with its gymnasium, reception rooms, reading rooms, etc. has supplied a real need in the community can readily be seen by the constant use of the building, and that

it has rendered a very definite service to the community in the past year may be noted by an examination of the statistical report of the superintendent.

We have recently added more dishes, silver, card tables and chairs to meet the demands of large parties and it is now very well equipped.

This Community House is for the benefit and use of every citizen of Lancaster and you are not only invited but urged to use it at any time you desire simply by abiding by the rules and regulations of the house.

Much credit is due the superintendent and matron, Mr. and Mrs. M. J. Daley, for their efficient service to the public and to the Managing Board. This is a trying position and we beg you to give them same consideration as you wish shown to you.

Sincere appreciation is extended Mr. and Mrs. Daley by the Managing Board for their untiring efforts in helping to make this community center of greater service to the public.

This committee is fully aware that many problems lay ahead of every committee and so we solicit the co-operation of every citizen of Lancaster. All working together for its best interests can make their great and generous gift valuable to the community and the work a pleasure.

Several of the recommendations of last year have not received action. They should still have consideration. It is recommended that during the coming year (1) that extended work be done on the children's playgrounds, as this has filled a great need for organized and supervised play; (2) that tennis courts be constructed near the building; (3)

that this year more shrubs be added to beautify the grounds; (4) and some provision be made for a parking place for automobiles.

Respectfully submitted,  
 BLAKE T. SCHURMAN, Ch.  
 HERBERT A. MOORE,  
 JENNIE H. TWITCHELL,  
 Managing Board.

The Lancaster Public Library is open to the public five hours a day, from 1.30 to 4.30 afternoon and from 7 to 9 in the evening. The Library has loaned during the year of 1928, 18,569 books, 2,846 of which were non-fiction and 5,156 juvenile; making an average of sixty per day. There are over 1,300 readers' cards filed. Money turned over to the Treasurer amounted to \$139.55 for fines alone.

The Library is well supplied with the best of reference books which are much used and appreciated by the students of the High School, a new set has recently been added which are exceptionally good, "The World's Book" or Organized Knowledge.

As there is nothing especially new to report this year I will repeat, and can emphasize a statement I made last year in my report: "As is natural in large gatherings of young people, there is usually

an element who cause unnecessary disturbance, but during the last year the courtesy and good behavior has been marked."

Some of the very best magazines published are subscribed for, a list of which follows:

Atlantic, Century, Harper's, Scribner's, Outlook, National Geographic, Asia, American, World's Work, Literary Digest, Sc. American, Good Housekeeping, Ladies' Home Journal, Popular Mechanics, Popular Science Monthly, Nature Magazine, American Forests, St. Nicholas, Youth's Companion, American Boy, American Girl, Dumb Animals, Nation's Business, Saturday Evening Post, Country Gentleman, Woman's Journal, Book Review Digest, Guide to Periodical Literature, two daily papers and Town paper. The Golden Book is newly subscribed for, a comparatively new publication. The Rotarian is donated to the Library, and two new magazines for little people have been subscribed for this year, Child Life and The Buddy Book.

MARTHA W. BRACKETT, Librarian.

### REPORT OF SCHOOL COMMITTEE

Mr. Robert Fuller, who had served as superintendent of schools in this district for three years, resigned early in the school year to accept a similar position at Hanover. His place was filled by the election of Mr. William G. Fuller, whose extended experience in school work qualiles him for an executive

position of this sort. At the annual meeting Mr. Ralph Shute was elected the third member of the Board.

The work in the ten districts has proceeded with but little interruption, due to the open winter. The epidemic of influenza caused a decrease in the attendance for a time.

Repairs in the district were confined for the most part to the painting of the buildings. All of the schools are at present in a good state of repair, and by reasonable expenditures each year, they can be kept in good condition.

A material reduction in the budget for next year is made possible by the settlement of the district debt. It is the hope of the committee that the schools may be maintained at their present level of efficiency without further increase in their cost.

For detailed information concerning the progress of the schools, you are referred to the report of the Superintendent.

D. W. PINKHAM,  
CHESTER MARSHALL,  
RALPH D. SHUTE,

School Board.

Town District of Lancaster.

---

## REPORT OF THE SUPERINTENDENT

*To the Honorable School Board and Citizens of Lancaster:*

This is the tenth in a series of school reports. It is intended to give the citizens detailed information concerning the district schools.

On the 15th of November, 1928, Mr. Robert Fuller left Lancaster to assume his duties at Hanover as Superintendent of Schools, a position to

which he had been elected shortly after the opening of schools in September. His place was filled by the election of the author of this report, Mr. William G. Fuller, who was at that time in attendance in the graduate school of education at Boston University. Mr. William Fuller, the third of the Lancaster superintendents to bear that name, has had twenty-two years of experience in the schools of New York State.

#### GENERAL CONDITIONS

It was a pleasure for the present superintendent to find the district schools of the town in such excellent condition, and taught by such competent teachers. The members of the School Board have expended much time and effort to put the buildings in good conditions, and it is their plan to make such repairs each year as will keep the schools in their present excellent state of repair. The new building at Mt. Cabot, district No. 4, is an example of what a model country school should be. It is of standard construction throughout, of ample size, and well lighted. Equipped as it is with a pipeless heater, a bubbler fountain, and flush toilets, it is ideal in every way for the needs of the children. A visit to this school will well repay those interested.

#### FINANCES

The fact that the Mt. Cabot school has now been paid for, and that additional state aid will be available for next year, will make possible a reduction in the budget for next year. It is expected that the present year will be finished with a favorable balance, unless some unforeseen contingency arises. The fact that the estimate for tuitions for the present year was too small by several hundreds of dollars, makes the next budget seem larger than it otherwise would.

## TEACHERS

Two new teachers were employed this year, and one teacher transferred to another school. Miss Doris Fitch, who had taught at No. 7 for two years, transferred to No. 11 at Stebbins Hill this year. Miss Dorothy Hillier, a graduate of Plymouth Normal, took her place at No. 7, and Miss Annie McGinley, also a graduate of Plymouth, took charge at Great Rock, No. 15. It is unfortunate that so few changes are taking place in our teaching force.

## HIGH SCHOOL ENROLLMENT

A large percentage of the pupils who have graduated from the district schools in recent years are in attendance at the Academy, over forty being enrolled at the present time. Of this number, seven are in the senior class. This attendance shows the general interest of the townspeople in higher education.

## MUSIC

The work in music under the direction of Miss Ruth Currier continues to function in a satisfactory manner. The pupils, as a result of the instruction they have been receiving for the past two years, are gaining in power to read music at sight. This ability to read music readily is an accomplishment that is of great value to the pupils when they take up instrumental music.

## ATTENDANCE

The epidemic of grippe which prevailed during the past winter seriously affected our attendance for a time, in first one school and then another. Due to the illness of several of the teachers, a few days were lost, but these have been made up by sessions on Saturday, and a full 36 week school year assured for all the schools. The largest enrollment is at the Grange school, No. 7, where 22 pupils are

registered. The smallest number is at Mt. Prospect school and the next smallest at Stebbins Hill. The enrollment at the other schools averages about sixteen. It may be possible to equalize the attendance next year in the three schools named above.

#### REPAIRS

Minor repairs were made in all of the schools, and all of the buildings that needed it were painted and redecorated. A new door was installed at No. 2, and new heating plants were placed in No. 2 and No. 6. Three new teacher's desks were added, which will form a permanent part of our equipment.

#### PROGRESS

The teachers of the district have been called together several times by the Superintendent, and some of the latest developments in the field of education discussed. The importance of thorough drill on the fundamentals has been emphasized, with special stress on the teaching of English. The subject of Grammar is now taught in every grade, and drill on oral and written English form a part of every day's instruction. Self-help work books have been introduced in the upper grades, and this enables the teachers to devote more time to the children in the lower grades.

#### RECOMMENDATIONS

The following suggestions will pertain to the continuance of policies already in effect, rather than to the adoption of radically new ideas. The satisfactory performance of the schools at the present time justifies this procedure.

1. It is recommended that the policy of replacing the old type of desks with new adjustable ones be continued.

2. That the plan of the board in maintaining the school buildings in a state of good repair be continued.

3. That the work in school music be continued.

Respectfully submitted,

WILLIAM G. FULLER.

TABLE I

School Year 1927-1928

Schools arranged according to excellence in attendance.

School	Per Cent			Tardy	Supt. Visits
	Attend.	Boys	Girls		
Gore	98	7	11	3	15
Martin Meadow	97.65	6	8		13

Royal Wright	Paul Colby
Paul Smith	George Smith
John Smith	Arthur Smith
Agnes Thompson	Winifred Emerson

## PUBLIC HEALTH NURSE'S REPORT

*To the School Board of Lancaster Town District:*

As Public Health Nurse of the town of Lancaster, the health of the children in the town school districts is under my supervision and I herewith submit to the people of Lancaster the following information.

The physical examination of all pupils was completed by Dr. William Bronson, with my assistance, during September and October. These examinations consist of weighing and measuring the children, teeth and tonsils inspected, heart examined, observed whether or not any skin condition exists, checked up on goitre and whether or not the child has been vaccinated. It may be of interest to know that we have at present 100 per cent vaccination in our schools.

After completing the physical examinations, the defect cards are made out, signed by the school physician and mailed to the parent so they may be informed of any defect which may exist.

The vision and hearing test is given the pupils and cards likewise are mailed to the parents of any child showing defective vision and hearing.

Health talks are given in the schools as often as time permits. Some of the subjects covered are: Fresh air both day and night, proper amount of rest and sleep, food values emphasizing the effects of tea and coffee and the importance of milk, fruit and vegetables, correct posture, care of the body with special stress on the care of the nails, hands, hair, teeth and skin and prevention of colds.

On my visits to the schools, any child presenting symptoms of the following contagious diseases such as measles, mumps, diphtheria, scarlet fever,

chicken pox, and whooping cough are excluded from school. Any child presenting symptoms of scabies, ringworm, impetigo or acute eye infections is referred to his family physician for treatment.

Since the previous examination, the children have shown a decrease in the number of defects. Defective teeth and tonsils are found to be the major defects.

At the close of this report will be found a table showing the kinds and number of defects and the physical standing of each school.

The teachers in these schools are much interested in this part of their curriculum and have been of much assistance in instilling in the children the importance of health and with their co-operation, together with the parents, we will strive for even better results and it would seem not impossible to achieve them.

TABLE III

## SUMMARY OF HEALTH EXAMINATION

Number of children examined 129; absent 10; excused 0.

	No. of cases	Notice	Treated
Malnutrition	16	16	7
Defective vision	10	10	3
Skin disease	3	3	3
Othopedic	1	1	1
Defective tonsils	59	59	2
Defective teeth	41	41	4
Cervical glands	6	6	2
Thyroid glands	7	7	0
Unvaccinated	16	16	16

Schools arranged in order of excellence based on the average number of physical defects per child: No. 5, 6, 9, 7, 8, 4, 2, 11, 10, 15.
